10 AM @ 103 Adams Avenue Endicott

“A Home for Habitat”

**Come and help us celebrate this milestone
in the life of our organization!**

This new facility will allow us to better serve families in Broome County, increase volunteer opportunities and allow space to organize fundraising efforts. This “New Home for Habitat” will be mortgage free and “simple, decent”, just like our homes. It will be built by the same volunteers who build in partnership with deserving families in Broome County who qualify for our program’s no interest mortgage loan. Light refreshments will be served. Please park on the street or in the Huron Lot.
